A powerful and heavy duty directional up-light is perfect for illuminating trees, tall structures and vast spaces. The stainless steel lamp retainer secures lamp and lens in place, while the dual o-ring provides complete moisture control and locking shroud make installation fast and easy. The Big Bang can be used in numerous applications including back, shadow or graze lighting. It is also the perfect directional light to use when up lighting columns.

Use of other manufacturers' components and power management system materials will void warranty, listing, and present a possible safety hazard. Please use caution when specifying lamps by selecting the proper voltage, base type, and wattage lamp when designing and installing any lighting system.

UPC #:785652129193

Finish: Weathered Brass (147)

Dimensions:

Diameter: 5 1/8"

Wire: 300" (color/Brown)

Height: 6 7/32"

Bulbs:

1 - screw terminal Par36 35w max 12v - included

Features:

- Designer optical lenses included
- Features orbital lock nut for precision lamp aiming

Material List:

1 Construction - Cast Brass - Weathered Brass

1 Stake - ABS Plastic - Chestnut

Safety Listing:

cETL Listed for Wet Locations
