91219-147: Lancer Area Light, 12v

Specification Images:

Collections: Imperial (Primary)
Lancer

Traditional style brass area lights offer versatile light output and feature a rotating adjustable height setting, allowing various beam spreads. The frosted cylindrical lens minimizes glare while the 20 watt lamp provides sufficient light to cast soft glows on any path or walking area.

Brass Construction

Pre-Greased Beryllium Copper Socket

Adjustable Machined Brass Collar

Anti-Moisture Migration Connections

Brown ABS Plastic Stabilizer Stake

Use of other manufacturers' components and power management system materials will void warranty, listing, and present a possible safety hazard. Please use caution when specifying lamps by selecting the proper voltage, base type, and wattage lamp when designing and installing any lighting system.

UPC #:785652129865

Finish: Weathered Brass (147)

Dimensions:

Diameter: 3 1/2"

Wire: 300" (color/Brown)

Height: 20 5/8"
