12V Magnetic Transformer in Black  
600w (2 x 300 each), Dual Output, One Switch

Magnetic transformers are encased in a metal, black powder coated enclosure and potted to minimize noise and vibration. All are listed, thermally protected, and dimmable along with having resettable circuit breakers for short circuit protection. Housings feature easy-hang bracket, wiring access door and knockouts for line voltage entry.

Include boost tap for use when transformer is located 20' or more from Rail system.

One switch operates both 300 watt transformers encased in housing.

Balance wattage loading on each transformer output.

**UPC #:**785652944642

**Finish:** Black (12)
