 <p><b>1540-15 - 52" Long Beach</b>  <b>Collection:</b> Long Beach</p> <p>White Powdercoat Outdoor Ceiling Fan with White Finish ABS Resin blades.</p> <p>From our Long Beach outdoor collection. White powdercoat finish ceiling fan with white finish resin blades. UL listed for wet locations. 1649 light kit available.                  Airflow: 5,468 CFM                  Electricity Use: 61 watts (excludes lights)                  Airflow Efficiency: 90 CFM / watt                  Compare: 49" to 60" ceiling fans have airflow efficiencies ranging from approx. 51-176 CFM/watt at high speed. Money Saving Tip: Turn off fan when leaving room.</p> <p>Silent Operation: Superior triple capacitor speed control offers "country quite" operation on all speeds.</p> <p>Dependable Performance: Precision made silicon steel motor with 100% copper windings offer the most efficient performance.</p> <p>Three-Speed Motor: Three forward and three reverse speeds.</p> <p>Weatherproof Design: Durable, all-weather ABS resin blades and powdercoat painted finishes with rust proof stainless steel hardware, rubber sealed switches and wiring, provide years of trouble-free operation and preserved quality.</p> <p>12° Blade Pitch: Specially designed blade sets are perfectly balanced for smooth operation, optimum air movement and secured with die-cast blade irons.</p> <p>Stable Hanging System: Heavy duty ball and bracket are both made of die-cast zinc and deliver smooth balanced operation. Extra safe, locking downrod system included.</p> <p>Maintenance-Free Design: Double-sealed ball bearings never need oiling; sleek housing design provides self-cleaning.</p> <p>Wet Location Approved: UL and C-UL listed for wet location with rubber sealed switches and wiring.</p> <p>Remote / Wall Control: All Long Beach fans can be used with a variety of remote controls. These fans, when installed indoors and without a light kit, can use remote in category A only. If a fluorescent light kit is installed, this remote cannot be used.</p> <p>Optional Accessories: All Long Beach fans are light kit adaptable. Select from a variety of energy lighting components, canopies and downrods to complement any setting.</p>		<p><b>Blade Finish 1:</b> White ABS Resin</p> <p><b>Blade Finish 2:</b> White ABS Resin</p> <p><b>Number Of Blades:</b> 5</p> <p><b>Blade Pitch:</b> 12 °</p> <p><b>Motor Size:</b> 153 X 17</p> <p><b>Number Of Speeds:</b> 3</p> <p><b>Steel Type:</b> Silicon</p>
